

# Financial protection that fits your needs

## With Colonial Life products:

- Coverage is available for your spouse and eligible dependent children (with most plans).
- Benefits are paid directly to you, unless you specify otherwise.
- You can continue coverage when you retire or change jobs, with no increase in premiums (with most plans).
- You may receive benefits regardless of any insurance you may have with other insurance companies (with most plans).

Everyone's benefit needs are different. That's why it's important to choose the benefits that are right for your personal situation.

Complete this page to request your personal, 1-to-1 benefits counseling session. Let us know when it is best to conduct this 15-minute benefit session even if you want to be called in the evening or on the weekend.

At the session, you'll learn how these products fit into your overall benefits package and how they can help protect what you've worked so hard to build.

You will need a computer with Internet access for the information session.

- Accident insurance** – Helps offset unexpected medical expenses, such as emergency room fees, deductibles and co-payments that can result from a fracture, dislocation or other covered accidental injury.
- Life insurance** – Enables you to tailor coverage for your individual needs and helps provide financial security for your family members.
- Critical illness insurance** – Supplements your major medical coverage by providing a lump-sum benefit you can use to pay the direct and indirect costs related to a covered critical illness including cancer, recovery from which can often be expensive and lengthy.
